transforming lives

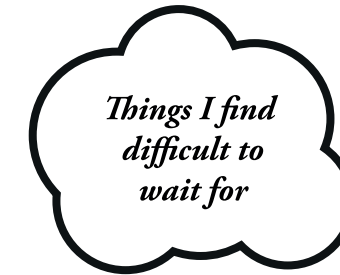

BE HONEST

Joseph ended up in prison (Genesis 40: 1-23) but he did not deserve to be there. Again we see Joseph making the most of a bad situation. Joseph went on practicing the gifts God had given him, which helped win favour with those around him.

We know from the Bible that Joseph waited 13 years in slavery and prison before God released him to live the dream He had for him. There must have been times when Joseph wondered just how long that wait would be.

Use the page opposite to help you think of all the things you find hard to wait for.

Prayer

Father God - thank you for giving me gifts and talents that you want me to use for you. Help me to make the most of every opportunity you give me to practice. I want to be the best I can be for you and ready for that time when I start to live the dream you have for my life. Amen
